Protest by the British Government against the Annexation of Czechoslovakia

[C 3318/19/18] No. 143.

Viscount Halifax to Sir N. Henderson (Berlin).

(No. 68.)
(Telegraphic.) R. *Foreign Office, March* 17, 1939.

PLEASE inform German Government that His Majesty's Government desire to make it plain to them that they cannot but regard the events of the past few days as a complete repudiation of the Munich Agreement and a denial of the spirit in which the negotiators of that agreement bound themselves to co-operate for a peaceful settlement.

His Majesty's Government must also take this occasion to protest against the changes effected in Czecho-Slovakia by German military action, which are, in their view, devoid of any basis of legality.
